

Come and join us for UK Youth Voice Conference ...

It's All About Youth!

2nd July - 4th July 2010

Our 2010 conference will be our biggest and best conference ever to celebrate UK Youth's centenary year!

During the weekend, held at UK Youth's head office at Avon Tyrrell, we aim to help young people to express their views, formulate informed opinions and enable all to go out and make changes on the issues that matter to them using a variety of methods and tools. We will also be offering fun outdoor activities including a pool party and disco on Saturday evening.

We will be holding 4 workshops aimed at equipping young people with new skills including:

- *How to use the internet to voice your ideas, views and opinions*
 - *How to campaign using the media*
 - *Speaking/debating on the issues of your choice*
 - *A chance to hear from Hearing Unheard Voices young campaigners*
